Christine,

I understand the push and would like to accommodate. I have concerns with our ability to make sure we're on the same page by COB today.

In general, I think we need to rely on the language from the draft findings so we make sure our message to the state is consistent.

I'm about to go into a few meetings, but will try reaching you after 1pm PT. Lynda, Let us know if you're available, say at 4:30pm.

Thanks, Joelle

I think we have what we need to work with but I need your help to refine it. The two documents that I think we use to put together the draft that we would share with the state are attached. I will be working on them this morning to come up with a version that includes some greater specificity on milestone which I will then want you all, particularly Allison (and NMFS contact), Alan and Jenny, to quickly look at and let me know if it meets

our needs/expectations.

Things are moving very quickly now and we need to get this done ASAP. I can fill you in more completely on our call tomorrow.
